# Septic System & Well Use and Maintenance Workshop

presented by

## MSU Extension & Macomb County Health Department

Wednesday, August 30, 2017

OR

Thursday, September 28, 2017

6:00 to 8:30 P.M.

### Washington Township Offices

57900 Van Dyke, Washington Twp.

A faulty well or septic system can harm a family's health as well as threaten pets and wildlife, contaminate surface and groundwater and lower property values. This workshop will cover well construction and maintenance, water conservation, how a septic system functions, septic system maintenance, how to detect septic failure.

Participants will receive handouts on these topics.

Workshop is **FREE** but **pre-registration is recommended** due to limited seating

Register at [events.anr.msu.edu/septicssystemaugust2017](https://events.anr.msu.edu/septicssystemaugust2017)  
For more information or registration assistance, call 586-469-6440
