

**NOTICE**  
**WASHINGTON TOWNSHIP**  
**STORM OR SANITARY**  
**SEWER BACK-UP**  
**GUIDELINES**

Under the guidelines of Public Act 222, any resident or business owner having experienced an overflow or backup of a sewage disposal system or storm water system should contact the Washington Township Sewer & Water Department immediately.

**You must file a written claim with Washington Township within 45 days after the overflow or back up is discovered.**

To receive a Notice of Claim Form, please contact Washington Township Sewer & Water Department at (586) 752-9740 or by mail at 11233 30 Mile Road, Washington, MI 48095. **Failure to provide the required notice will prevent recovery of damages.**
