To: Washington Township Board of Trustees

RE: Hidden Pond Subdivision; Retention Pond SAD Roll

Charter Township of Washington Board of Trustees,

The Special Assessment District includes the 46 original lots in the Hidden Pond Subdivision. The SAD was created by resolution December 4, 1996.

It is my Recommendation that the cost be spread evenly for the Subdivision, for all 46 lots as they all share in the caretaking of the retention pond area.

Sincerely,

Patricia C Rappuhn
Assessor
